

Ultradur® HR improves reliability under harsh environmental conditions

7-way door latch

18-way transmission connectors

Product : Ultradur® B2300 G6 HR

Application : Connectors for Hyundai

Customer : FCI Korea

Advantages with Ultradur® B2300 G6 HR

- Complies with stringent automotive regulation, USCAR 3
- Retains mechanical properties in hot and humid environments
- Easy processing for thin wall design and high cavity numbers

A-KTE, Engineering Plastics Asia Pacific

Product disclaimer

The information and data given here are based on our current knowledge and experience. This does not relieve the purchaser of our products from incoming inspection. The information and data do not describe the suitability of the product for a specific application. Composition - and durability statements - as well as any other statements are not to be considered as a warranty.

The values contained herein are based on analysis/testing of laboratory test specimens and represent data that fall within the normal range of properties for natural materials, unless stated otherwise. Colorants and additives may alter properties.

This information is provided as a service for comparative purposes only and in no way constitutes any product specification or the like. For component design the data contained herein are applicable as guideline only.
