Country of origin

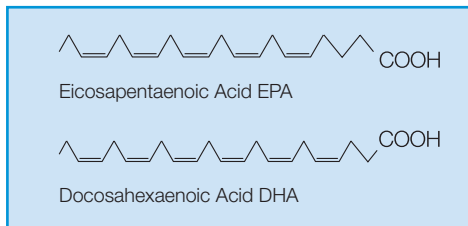

Italy

Description

Bursts 1812 Orange is a food (dietary) supplement in the form of a chewable soft gelatin capsule containing refined fish oil as a source of omega-3 fatty acids.

Composition

Ingredients in descending order of weight: Fish oil, vegetable fats (shea, coconut), glycerol (E 422), bovine gelatin, mannitol (E 421), modified starches (E 1404 & E 1420), beeswax yellow (E 901), flavourings, citric acid (E 330), sunflower lecithin (E 322), extracts of rosemary (E 392), sucralose (E 955), iron oxides (E 172).

Specification

Assay as triglycerides (TG)

EPA	min. 63.7 mg/g
DHA	min. 39.9 mg/g
Total Omega-3	119.7 – 176.4 mg/g

For further information see separate document: "Standard Specification" (not for regulatory purposes).

Standards

Soft gelatin capsules produced under BRC and US FDA Food Facility Registration.

Monographs and Regulations

The fish oil used in Burst 1812 Orange conforms to the voluntary GOED monograph and the EU regulation 1881/2006, as amended for heavy metals, dioxins (PCDDs/ PCDFs), dioxins-like PCBs, non-dioxin-like PCBs and polycyclic aromatic hydrocarbons (PAHs).

Bursts 1812 Orange is compliant with the regulatory requirements for food supplements in the European Union. For specific questions regarding the legal requirements for marketing of the product in any other countries, please contact your BASF sales representative.

Stability, Storage and Handling

The bulk capsule carton packaging is not intended for long-term storage.

It is recommended to repack the capsules within 3 – 4 weeks of receipt.

Stored in its unopened original packaging at the indicated storage conditions, the product is stable for at least 6 months.

Store at 15 – 25 °C (59 – 77 °F) and not more than 65% relative humidity. Protect from freezing, heat, light, and humidity.

Applications

Bursts 1812 Orange is a food supplement (dietary supplement) intended for the general population (not for children younger than 3 years of age). The recommended dosage is 1 – 2 capsules per day dependent on the age group.

Note

Bursts 1812 Orange must be handled in accordance with the Material Safety Data Sheet.
