

Lamequick® HF 70

PRD-No.

30800309

Articles

50784395* 25 kg multilayer paper bag with PE-lining

* This product is vegetarian, halal, kosher, gluten free

Country of origin

Germany

Description

White to yellowish powder.

Complex powder system consisting of emulsifier, protein, palm kernel oil and fully hydrogenated coconut oil on a carrier system of glucose syrup.

Used as a whipping agent in all kinds of dessert applications.

Composition

Ingredients in descending order of weight:

Vegetable oil (palm kernel oil, fully hydrogenated coconut oil), glucose syrup, acetic acid esters of mono- and diglycerides of fatty acids (E 472a), mono- and diglycerides of fatty acids (E 471), milk proteins, propane-1,2-diol esters of fatty acids (E 477).

Standards

All additives used in Lamequick® HF 70 comply with the current specifications established by the Joint FAO/WHO Expert Committee on Food Additives (JECFA) and the current EU Regulation laying down specifications for food additives.

Manufactured under ISO 9001 as well as HACCP methodology.

Specification

For further information see separate document: "Standard Specification" (not for regulatory purposes).

Storage conditions

The product should be stored at temperatures between 16 - 24 °C, in a dry place. Keep away from odor-intensive products.

Shelf life

In its unopened original package under the mentioned conditions the product has a shelf life of 18 months.

Applications

Applicable for various kinds of aerated food systems and especially suitable for whipping creams, cake filling creams and decorating creams.

Dosing

Using Lamequick® allows an all in method during preparation.

The dosage is depending on desired volume, mouthfeel and firmness as well as the adding of further ingredients.

According to Regulation (EC) 1333/2008, the maximum levels of propane-1,2-diol esters of fatty acids (E 477) in the final product have to be observed.

Recipes are available on request.

Summary

Lamequick® HF 70 is especially applicable for whipping creams, cake filling creams and decoration creams with outstanding creaminess and mouthfeel.
