

Lamegin® EE 30

PRD-No.
30532007

Articles

50202833* tank truck

* This product is vegetarian, halal, kosher, gluten free.

Country of origin
EU

Description

Yellowish-white wax with a neutral to slightly fatty odor.

Acetic acid esters of mono- and diglycerides of fatty acids.

Applicable as an aerating emulsifier in whipping food applications.

Composition

Ingredients in descending order of weight:

Acetic acid esters of mono- and diglycerides of fatty acids (E 472a).

Standards

Lamegin® EE 30 complies with the current specifications established by the Joint FAO/WHO Expert Committee on Food Additives (JECFA) and the current EU Regulation laying down specifications for food additives.

Manufactured under ISO 9001 as well as HACCP methodology.

Acetem

Specification

For further information see separate document: "Standard Specification" (not for regulatory purposes) available via BASF's World Account: <https://worldaccount.basf.com>

Storage conditions

The product should be stored in bulk at temperatures between 60 – 80 °C.

Shelf life

The product has a shelf life of 14 days under the mentioned conditions.

Applications

This product offers very good aerating properties. Therefore it is used as an aerating emulsifier in various food systems to create stable foams.

Dosing

Detailed recipes are available on request.

Summary

Lamegin® EE 30 is a medium esterified Acetem with a special focus on whipped food applications.
