Renewable Electricity Declaration

Product name: **Neodecanoyl chloride**

CAS-Number: **40292-82-8**

PRD-Number: **30037027**

BASF Intermediates declares that as of (January 2025), Renewable Energy Certificates (RECs) have been purchased to cover 100% of the annual electricity consumption for the above-mentioned product in our European production asset.

An accounting system is in place to guarantee the purchase and retirement of sufficient numbers of RECs to justify the renewable electricity use. The system ensures correct attribution to the asset and producing products.
